PRESIDENT'S MESSAGE

Planning For the Future

While Visiting Guatemala I was daily bombarded by scenes of everyday life while traveling to and from our medical clinic on a bus. I'd see vendors opening their stalls with fruit, tortillas or housewares. One afternoon in Jalapa we came across a herd of cattle that were being moved via the main road! People, cars and cattle merging! What a sight!

To insure our safety and that of the Guatemalan workers and the people we came to serve, our team was limited to our clinic, hotel and bus. Only on our last day, with negative COVID test results were we able to venture into some parts of the city of Antigua.

To actually walk the streets that I had observed from my bus window was a gift. The people, the food, the colors, the myriad of woven fabrics on people and in stores were amazing! We entered one courtyard and found two women sitting on the tile floors weaving. One of the weavings really caught my eye and it is now in my home!

But the vision of these two women is still in my memory and I am "still in Guatemala". The photo above is a photo of them and the beginning of a fabric portrait that I am *planning* to do in the near future. The perspective in this photo is called "vista de pajaro" or birds-eye view. The subject matter, scenes of everyday life, "art naif," like those I saw from the bus or on my walk through the city, is also very common.

Planning for a portrait like this begins by enlarging the photo. The finished piece will be 36" x 48". I'm also auditioning fabrics for the quilt. In my next letter I hope to show a photo of my partially done piece!

The board of our guild is also doing a lot of *planning*. In our meetings we discuss items that should be in the newsletter to keep you informed. Sharon Pryor is *planning* the best way to get you the membership list for this year in PDF and hard copy forms. Carol Shervem is *planning* ways to share our opportunity quilt before our drawing in April. And Diana Gardner is *planning* for our December potluck celebration and for meetings for the new year.

I'm also *planning* to greet you and enjoy your company and your Christmas quilts at our meeting in December. I hope you can come!

Joanie Martin

GUILD HYBRID MEETINGS

The December pot luck dinner meeting will be held at the church only. **Members attending in-person will be required to fill out the COVID symptom form.** “As of August 19, 2021 If you are fully vaccinated, to maximize protection from the Delta variant and prevent possibly spreading it to others, wear a mask indoors in public if you are in an area of substantial or high transmission.” – CDC. Fresno County , with low vaccination rates, is considered a high transmission area. **We will ask all guild members to mask up.**

We have scheduled most of our meetings/speakers to be available in person and online via Zoom until further notice. Our Zoom meetings will begin promptly at 7 PM. When we have a guest lecturer, members attending the meeting at the church will be viewing the program on a large screen. The door to the church will be opened at 6:00 pm for set up, social time begins at 6:30 pm and our meeting begins at 7 pm..

If you have any comments or questions please direct them to sjvqg1@gmail.com.

San Joaquin Valley Quilters Guild

Challenge Quilt Guidelines – Pat Baker

March 2022

Time to get your creative juices flowing and your hands and machines sewing to prepare an entry for the March 2022 quilt challenge. We have had lots of sunshine this summer so one of the challenges will be to see just how you use this beautiful “mellow yellow” fabric.

Here are the official guidelines
(and the judges will have their rulers ready)

Quilt must be no larger than 24 x 24 inches
You will receive a fat quarter of the yellow fabric and
must have at least 4 inches of the yellow fabric showing
Red fabric, mostly solid will also need at least 4 inches showing.
Must have 3 pinwheels (only 3)
Must be completed with binding
Any style of quilt making will be accepted

First Prize: \$100
Second Prize: \$75
Third Prize: \$50
Viewers' Choice.....\$25 .

The yellow fabric will start being available at the November guild meeting.
You must be a current member of the SJVQG to participate.
Judging will be at the March 10, 2022 Meeting

Please make sure your entry is hidden in a bag or container when you submit it at the March 10th meeting.
Your name is on the quilt back and can be covered up prior to the judging.

WALL QUILTS WANTED

Butterfly Gardens will open in Clovis in **July 2022**. These 75 apartments will serve people who are homeless and also have disabilities. It is a permanent housing development and they are very focused on creating a place of dignity where people can start fresh.

They are looking for wall quilts to decorate the common spaces and hallways and they contacted our guild to see if any of our members would like to donate one of their quilts. This is another opportunity to serve our community.

If you are interested or have questions please contact **Joanie Martin** at sjvqg1@gmail.com.

MEMBERSHIP – Sharon Pryor

A big thank you to all the members who have joined the guild or renewed their membership this year. If you still want to join it is never too late and the application can be found in this newsletter or on the website at sjvqg.net. Dues are \$35 annual and can be paid at the monthly meeting or mailed in with your application.

The printed 2021-2022 membership directory and membership cards are now available at the monthly meeting. Stop by the membership table and pick up your copy. An updated PDF copy is also included in the email blasts sent out for the Patterns & Plans for SJVQG Coffee Breaks & Meetings.

HAPPY BIRTHDAY - Happy Birthday Wishes go out to the following December birthdays.

DON'T FORGET HOBBS UPC CODES FROM ANY SIZE!

Remember to check your sewing room—maybe there's a packaged, pre-cut Hobbs batting just waiting to be used in your next project. Cut the UPC code from the plastic wrapping and contact **Susan Schara**. Our guild can qualify for a hefty discount on the comfort quilt batting we use up so rapidly these days. We will be ordering one discounted queen-sized batting (we have to pay shipping) and need three more UPC codes. (This offer is for guilds, not individual quilters—sorry)

BLOCK OF THE MONTH (BOM) – Barbara Pearson & Shannon Mueller

November's block of the month is "In From The Cold" with the choice of adorable cups or mugs that can be sewn in so many ways. Making more than one block and turning them in at the meeting increases your chance of winning a jar of honey during the drawing. The blocks are extremely big so we are hoping to be able to make a couple of comfort quilts. The picture is an example of the quilt Kate Spain of Moda made with the patterns. The E-blast has been sent with the patterns and directions.

We received seventeen present and tree blocks in November that will make a wonderful holiday comfort quilt.

Irene Allen won the drawing for a jar of honey.

If you have any questions, please feel free to call us.

Barbara Pearson (559)392-6683 and Shannon Mueller (559)269-5780

COMFORT QUILT NEWS – Susan Schara

In October and November, Comfort Quilt deliveries included 18 quilts to the Marjaree Mason Shelter, 22 to hospice, 8 to DaVita Dialysis, and 4 to Kases for Kids. That's a lot of top-making, kit-making, quilting, and binding going on, all to benefit others in our community. Thanks, guild members, for your participation in our donation program.

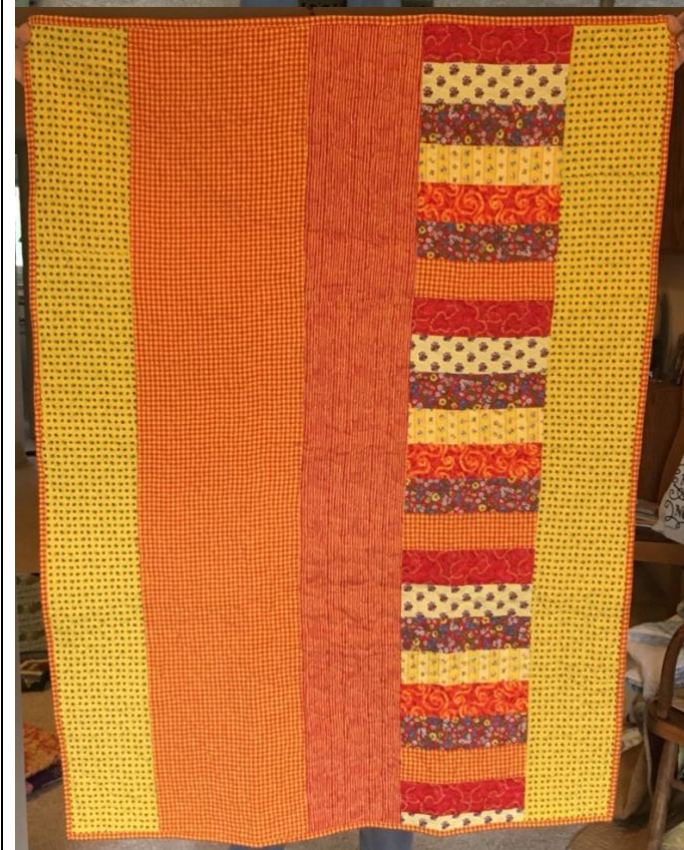

We have noticed lately that top-makers have often been including binding strips to go with the tops they turn in. That is particularly helpful in making sure that finished quilts look nicely coordinated, even when the back choices are dependent on whatever fabric we happen to have available in the stash. Making up quilting kits is very time-consuming, but having the ready-made binding strips is a much-appreciated time saver. Thank you for including the strips when you can.

The holidays will be fast upon us, and members may find that sewing time is sacrificed for decorating, cooking, shopping, wrapping, addressing cards, and the million tasks we have to accomplish to be ready for time spent with family and friends. Wishing you a healthy and joyous, if hectic, holiday season!

THE ABOVE COMFORT QUILT WAS MADE BY SHANNON MUELLER AND BARBARA PEARSON WITH 'BLOCK OF THE MONTH' (BOM) BLOCKS THAT WERE MADE AND DONATED BY MANY OF OUR MEMBERS

If you do not have the time to make a comfort quilt, remember you can contribute to the comfort quilt donations by making a BOM and donating it to the cause.

DOTTIE'S FINDINGS – Dottie Daybell

DECEMBER 2021 FINDINGS

1. This scrap quilt looks more complicated than it really is. It's just equilateral triangles. She pieces them like Gwen Marston taught - no paper foundations. Controlling her palette is also essential.

<http://darcyquilts.com/2019/09/24/striped-triangle-scrappy-quilt-tutorial/>

2. Patriotic BOM: Moda Fabrics has still another star block! This one has nice big 18" blocks and could be made from charm squares.

<https://my.modafabrics.com/inspiration-resources/morris-stars-quilt>

3. Barbara Brackman noted some recent improvements to the Quilt Index. You can now search by her pattern number (for quilts whose submission form had it entered). And the text is easier to read!

<http://barbarabrackman.blogspot.com/2021/10/quilt-index-improvements-if-i-do-say-so.html>

4. This block isn't new, but it's new to me! Urban Chicken, a scrappy block from the Portland MQG. I like the single-color blocks and the many-colors quilt. And the chickens could almost be Christmas trees!

<https://wombatquilts.com/2013/10/23/playing-with-urban-chickens/>

Rachel made them recently, and kept the progression of squares more controlled:

<https://www.stitchedincolor.com/blog/2021/11/10/do-good-stitches-bee-blocks>

5. Pamela is an American living in Japan. She went to a local quilt show featuring the work of a 90-year-old woman. Unlike me, this woman finishes things! I love all the taupe quilts. I liked her taupe version of Ruby Short McKim's 1927 Oriental Poppy.

Hello!

We want to share with you and your members our line up of speakers and workshops for 2022. We would love to have you and your members join us as members or guests for any or all of our meetings! We again find ourselves in the unique position of holding all our lectures and workshops via Zoom for our 2022 year and that may be one of the only upsides of the pandemic - we've all been able to broaden our circles and connect with other guilds across the country!

Attached is our postcard for the coming year. Details on our meetings and workshops can be found at <https://scvqa.org>

Thanks so much and hope to see you at one of our upcoming meetings!
