Give me a kiss! - International Kissing Day July 6th

*You can't kiss a girl without her lipstick on!*

*For the paper piecing and applique lovers: Choose your background color, your lipstick color and the color of your lips!*

*NOTE: Extend the right or left side of the lipstick base piece to allow room for your "lips" applique.*

*Lipstick is from the GLAMGIRL Paper Pieced Block series.*

Here are the pieces by themselves:
