PRESIDENT'S MESSAGE

Christmas is just around the corner and all of us are getting ready for the holiday season. It is a time for reflection on 2022 and our accomplishments both personal and as a group. I am honored to belong to this group of individuals who see a need and fulfill it. Thank you to all of you for participating in our community projects this year. We have given duffle bags and accessory bags (many more than I can remember) to Kases for Kids, quilts have been delivered all year long to the dialysis center, cancer center, Marjaree Mason Center, and others that I am just learning about. You also made and donated pillow cases to Smiles for Ryan and the hospice center. It's been a very busy year and I am proud of your commitment to the Guild and our Community.

Additionally, you have joined the Coffee Chat twice a month and spent your time gaining new ideas and learning new quilting skills. You've tried some things you hadn't done before and made some new quilting friends. And in the process, you have shared with other members your in-progress and completed projects. It's been a lot of fun and I hope the Coffee Chat will entice more members to join in the new year.

And, at the end of each of our meetings, you have generously shared with all of us your quilting stories, the how to and how long, in many cases years, and the reasons why you have given so generously and why your quilts are so precious. Thank you to each of you for making this a year to remember with pleasure and delight.

May your holiday season be filled with joy.

Diana Gardner

SJVQG Opportunity Quilt 2022-2023

Applique by **Pat Rosander**, Pieced and quilted by **Sandy Clark**.

This beautiful quilt has a white and cream background with an appliqued grape motif of purple with green vines and leaves. The quilting is exquisite with intricate designs enhancing the grape motif with trapunto. Rouleau loops adorn the border along with feathers. Sandy reports that she enjoyed completing the custom trapunto sections, using two layers of wool to create the lovely relief. Champagne colored thread was used to enhance the shadowing of the trapunto. The quilt measures 70" x 71" and was displayed to the public for the first time on **September 20 at the Central CA Women's Conference**. Tickets for the April 2023 raffle are now on sale.

PROGRAMS (Continued)

February Program - Debbie Gira on Borders

I am working with Debbie to come up with a program where she can share her knowledge and expertise on how to finish a quilt with a border. At the December meeting I will ask three members who would like help finishing their quilts to submit them to me by the first week in January. Debbie and I will use these in her program to work through the process of wording your quilt. More to come!

We will also introduce the Challenge Quilt for 2023: THE QUILTED PHRASE. Members will draw a phrase or idiom out of a bag. (I'm open to suggestions!) The only stipulation is that they illustrate the phrase in their quilt and that the parameter of the quilt cannot exceed 72".

A couple of examples would be:

Cat's Got Your Tongue

Kick the bucket

Penny For Your Thoughts

Real Hot Potato

March Program - Spring Tea. We will ask members to bring goodies. At our tea we will be making a Tea Cup Pin Cushion!

April Program - We are hosting Vickey Conly for a virtual program entitled "Inspired by the Parks." For more information: <https://creativespark.ctpub.com/courses/inspired-by-the-parks>

Block of the Month (BOM)
Barbara Pearson & Shannon Mueller

In December, we have a *Cool Cat* block for you to make. You can use any color or pattern for the cat, but please use yellow for the background. Donating more than one block increases your chance of winning a prize during the drawing. The prize for December will be two Christmas themed charm packs. The E-blast has been sent with the specifications.

Last month's block was a Holiday Nutcracker. Twelve blocks were donated and will be assembled to create a donation quilt. Look at the wonderful faces on the two gentlemen below! Tracy Newkirk donated two blocks and was the lucky winner of the red and green fabric strip set in our drawing. We're sorry we didn't take a picture of her winning smile at the meeting!

Cathy Lee volunteered to help out by assembling a comfort quilt using blocks donated in October. She did a wonderful job on the quilt below and it will be headed to Fanchon Owen for binding as soon as it is quilted. We received so many blocks, there are 3 more quilts to be made from the generous donations!

We are still looking for volunteers to help with our *Block of the Month* efforts. You can contribute by suggesting BOM patterns, writing instructions, testing the block instructions, or helping to assemble the quilts for donation. Any assistance would be appreciated even if it is just for 1-2 months during the year.

If you have any questions, please feel free to call Barbara Pearson (559)392-6683 or Shannon Mueller (559)269-5780

COMFORT QUILT NEWS – Susan Schara

The word for today is ABUNDANCE. Over the past few months the guild stash has received an ABUNDANCE of fabric donations, most of those being multi-yard lengths that fill our shelves and our garages! It has become incredibly easy to find backs for any tops you might make these days; you might even have to choose among several tempting possibilities.

A huge quantity of Christmas and winter-themed fabrics let us make pillowcases for hospice patients. So far, as of November 20, we have made, and Bristol Hospice has received, an ABUNDANCE of pillowcases, 331 to be exact. A hospice patient's world can shrink to the size of their bed, and these cheerful, varied pillowcases add a spot of color to be enjoyed by patients and their visitors.

Other deliveries last month included 6 comfort quilts to hospice, 12 to dialysis centers, and 9 to the Marjaree Mason Shelter Program. We are able to continue our donations to these recipients, and others, thanks to an ABUNDANCE of participation from guild members who make tops, quilt them, and bind them, chair committees, and take part in fund-raising activities. Thank you, one and all!

A final example of ABUNDANCE will be our shared Christmas soup supper, where we can enjoy vast quantities of soups, salads, and desserts and welcome the holiday season. See you then!

DOTTIE'S FINDINGS – Dottie Daybell

December Findings 2022

1. Preeti's quilt is made from the simplest of all blocks, big 6" batik HSTs. But I love the way she set it, with strips on two sides, in pairs, orienting the HST seams vertically or horizontally.

<https://sewpreetiquilts.blogspot.com/2022/09/bollywood-beats.html>

2. Patriotic BOM Here is a simple pattern from the QOV website, by Alycia Quilts, which alternates 16-patches and large 4-patches:

https://www.qovf.org/wp-content/uploads/2016/01/pdf_not-so-top-secret-1.pdf

3. Aurifil's blog tells us about a quilt show in South Africa. There's a link to a free quilt block pattern, and a 20-minute video tour of the show:

<https://auribuzz.com/2022/10/06/the-south-african-quilt-festival/>

4. Valerie M. told me about this website, which has a large collection of links to free scrap patterns:

<https://sewingwithscraps.com/category/free-patterns/>

There are many pillows, bags and small items and a few quilt patterns. One that interested me is described in #5 below.

5. Suzy posts an interesting quilt that uses 3.5" strips of varying lengths. You'd need a few long strips, up to 49", but you might be able to piece them. You can use her instructions to order fabric from Spoonflower, or ignore them and use your scraps.

Shop with Amazon and Earn Money for the San Joaquin Valley Quilt Guild

Many of us love to shop online, and love to shop at Amazon. Did you know that Amazon will give a percentage of your purchase to SJVQG, and it costs you nothing extra. The only thing you need to do is sign into Amazon through the charity portal, **Amazon Smiles**, and designate the **San Joaquin Valley Quilt Guild** as the charity you want to donate to. Then, whenever you shop on Amazon, sign into their charitable giving site (Amazon Smiles) and shop like normal.

- log onto Amazon at <https://smile.amazon.com/> or just click on this link
- Use your regular Amazon Username and password
- Select your charity ... If you have never used Smiles, you will be taken to a screen that asks which charity you want to support.
- **San Joaquin Valley Quilt Guild** is how we are listed...

Shop, and .5% of your purchase will go to SJVQG. They deposit money into our bank account every three months. It's a small percentage for one purchase, but it really adds up. The only requirement is that you need to start your shopping at Amazon Smiles. If you like to shop on your phone, Amazon Smiles works there too.

You can bookmark Amazon Smiles on your Favorites bar so shopping is one click away!

From Amazon's Help Screen

How do I select a charitable organization to support with AmazonSmile?

On your first visit to AmazonSmile, you will be prompted to select a charitable organization to receive donations from your future eligible AmazonSmile purchases. We will remember your selected charity whenever you shop at smile.amazon.com or with AmazonSmile activated in the Amazon Shopping app, and then every eligible purchase you make through AmazonSmile will result in a donation for your selected charity. AmazonSmile will occasionally contact you about donation amounts disbursed to your chosen charity or about the program.

Can I change my charity?

Yes, you can change your charity at any time. Simply visit smile.amazon.com/change, or tap "AmazonSmile" within the Settings menu in the Amazon Shopping app on your phone and select "Change your charity". Your AmazonSmile purchases made after changing your charity will count towards your newly selected charity.

Remember, there is no cost to you!

Quilt Classes with Nancy Christian

Quilt Class with Nancy - \$30.00 per class

Come sew with Nancy - \$20 per class

At D & J Sewing @ Gettysburg & Clovis Ave

Class hours are 9:30 am - 5:00 pm

Each month I am teaching up to 2 quilt classes. Some of these may become one of your new favorites. I am working with Fat Quarters and Jelly Rolls along with some yardage for borders and bindings. If you don't buy these items, you can also work with just yardage.

I am also offering a Come Sew with Nancy on Wed & Thurs prior to the Friday class if you like to do some quality time with your sewing machine or hand work. You may also use this time to cut out your fabrics and start the class a bit earlier. You may be able to go home with a complete quilt top.

All Books & Patterns that I note on the classes are available from D & J Sewing. The free patterns will be available when you sign up for the classes. These have been some favorites books, so you may have them already. Quilts will be displayed prior to the class so come in and take a look at what you will be making.

Now that you see what is available to you, call your friends and get your calendar out and make a date with your sewing machine. What a fun way to take a break. Come enjoy the fun that we have.

If you have any questions/concerns on the classes or the come sew, reach out to me and I will be happy to answer them. **Nancy Christian** 559-203-0188

WAYS TO SUPPORT YOUR GUILD

Donations If you are blessed this year and are able and desire to contribute to your quilt guild, please consider us in your giving budget. The SJVQG is a 501(c)3 organization, and we will provide you with a tax receipt of your contribution. Contact **Barbara Pearson** if you have questions at blpearson52@gmail.com to obtain more information or send a check payable to: SJVQG, PO Box 3256, Clovis, CA 93613. Receipts are also available to pick up at our monthly meeting.

DON'T FORGET HOBBS UPC CODES FROM ANY SIZE BATTING!

Remember to check your sewing room—maybe there's a packaged, pre-cut Hobbs batting just waiting to be used in your next project. Cut the UPC code from the plastic wrapping and contact **Susan Schara**. Our guild can qualify for a hefty discount on the comfort quilt batting we use up so rapidly these days. We will be ordering one discounted queen-sized batting (we have to pay shipping) and need three more UPC codes. (This offer is for guilds, not individual quilters—sorry)

1952 SINGER 201-2 SEWING MACHINE**

I have a Singer 201-2 sewing machine from around 1952. It was my mother's machine and she probably used it for about 10 years and I inherited it in the late 60's and used it for about 5 years. It is in a table. I got it out today, oiled it and it still runs, quietly. It needs a new cord as the rubber covering is cracking in places and a thorough cleaning. I am not interested in selling. I would like to find a home for it other than Goodwill. I was hoping someone in your guild might know someone who needs a machine.

You can reach me by email, text or phone (559-321-1714) or cbpslp@bellsouth.net. I don't always answer phone if I don't recognize the number calling so please leave a message. Robo calls have ruined us all.
