Finished product:

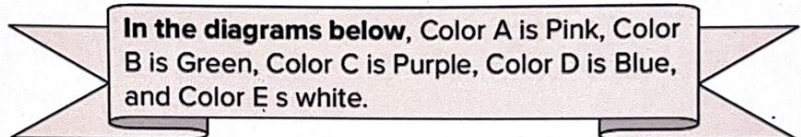

**Cutting Instructions:**

Colors A through D- 4 different colors

- 1 - 3 1/2" square
- 1 - 3 1/2" by 6 1/2" rectangle

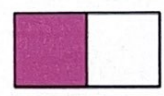

Color E- Background- white/ any white on white print

- 4 - 3 1/2" squares

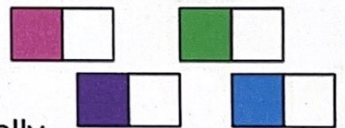

**Assembly Instructions:**

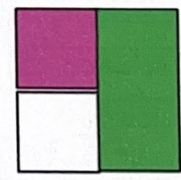

**Step 1:** Sew one Color E square to the Color A 3 1/2 square right sides together. Press seams toward colored fabric.

**Step 2:** Repeat step one with Color B, C, and D squares. End with 4 separate units.

**Step 3:** Take your Color A & E strip and lay it out vertically, with Color A on top and Color E on bottom. Take the 3 1/2" by 6 1/2" Color B rectangle and put it to the right of the Colors A & E strip. Sew them right sides together, and press your square toward the Color B rectangle.

**Step 4:** Repeat step three with strips and colored rectangles. Make sure to put:

Color A & E strip with Color B rectangle    Color B & E strip with Color C rectangle  
Color C & E strip with Color D rectangle    Color D & E strip with Color A rectangle

**Step 5:** Sew the four squares together. Make sure to align so that colors look like they continue in a straight line (like it was woven). See the finished product picture above for extra guidance.
