Assembly and Sewing Instructions

Sew with an accurate quarter inch seam allowance.

1. Draw a line from one corner to the opposite corner on the wrong side of piece C.
2. Align a marked piece C, right sides together, with one corner of piece A.
3. Sew a seam directly on the marked line. Trim away excess fabric from both layers 1/4 inch past the seam line.
4. Press the seam allowance towards the large square.
5. Repeat the steps above for a second square.
6. Arrange the pieced units and two bow tie squares into two rows as shown. Sew components of each row together and press seam allowances towards the large bow tie square.
7. Sew the two rows together and press.
8. Add border pieces D to top and bottom of square and then add pieces E to both sides.

Finished block will be 12.5" square. Please do not trim.
