

During April and into May we are exploring disappearing quilt blocks! You may have heard of Disappearing 4-Patch, but what about a Disappearing Grecian Square?

We're visiting the work of Brita Nelson- the Questioning Quilter, Jenny Doan from Missouri Star and inspiration from Pinterest. We're strengthening our piecing skills, practicing ways to nest seams and gaining a new perspective on the possibilities with this technique.

You can sign up to receive Brita's newsletter at <https://questioningquilter.com/>, and visit her YouTube channel to see all the fun we are having! Once you've subscribed and received a confirmation email, that email will contain a link to her archived patterns.

Join us twice a month on Tuesdays at 11:00. Check our Calendar on our website for the dates.
