

MONKEY WRENCH BLOCK – August 2024

Fabric Needed:

Two contrasting colors, one Light and one Dark from the same color family. If using RED, please prewash.

Fabric Cuts:

Two 2 ½" squares of each color

Two 3 ¾" squares of each color, cut on the diagonal

Two 6 ½" squares of each color, cut on the diagonal

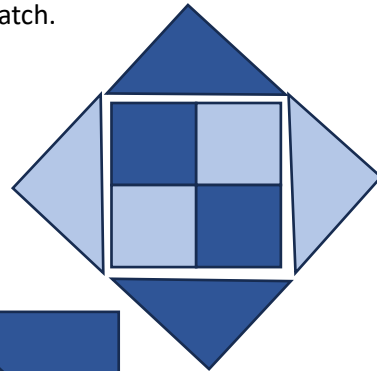

Sewing Steps:

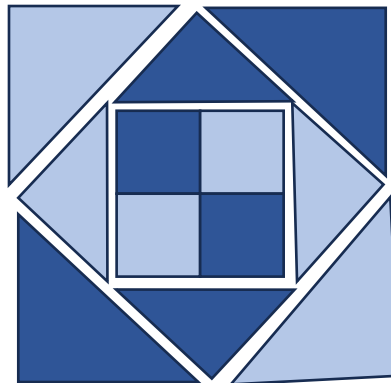

1. Sew a 4-patch using the 2 ½" squares and alternating the colors.

2. Sew two of the 3 ¾" diagonal cuts to opposite sides of the 4-patch. For example, the two dark triangles in the diagram here.
3. Sew the other two 3 ¾" diagonal cuts to the remaining sides of the 4-patch. For example, the light colored triangles in the diagram here.

4. Sew two of the 6 ½" diagonal cuts to opposite sides of the unit created in step 3. Follow this illustration to create the curve.
5. Sew the two remaining 6 ½" diagonal cuts to the two remaining sides.

Finished Block Size - 8 ½" X 8 ½"

Please do not trim.
