

## SHOO-FLY – October 2024

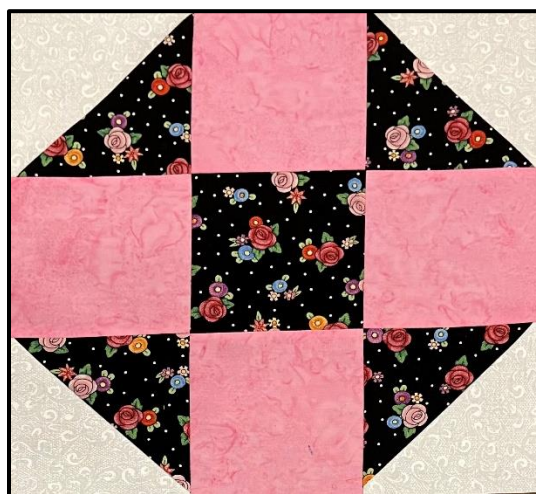

Fabric Needed: 2 colors, and 1 white

Fabric Cuts:

Dark Print	Two	5" squares
	One	4 1/2" square

Medium Print	Four	4 1/2" squares
--------------	------	----------------

White	Two	5" squares
-------	-----	------------

Sewing Steps:

1. Draw or press a diagonal line on back of each 5" white square. Place on top of 5" dark print with right sides together.
2. Sew 1/4" on either side of drawn line. Cut apart on diagonal line; press to the dark print. Trim to 4 1/2".
3. Repeat step 2 with remaining 5" squares. You now have 4 half square triangles.
4. Lay out with remaining dark & medium squares as pictured. Sew together as a 9 patch.

Your Shoo-Fly (including outside seam allowances) should measure 12 1/2". Please do not trim.
