### PRESIDENT'S MESSAGE MARCH 2025

Quilters,

Do you ever think about what would happen to all of your fabric, machines, notions and more if something happens to you? What if you go to an assisted living facility or pass away? **We all need to have a plan.**

Are you aware that our stash is funded from donations? At least once a week the Guild receives an email from an individual or family member that is facing the situation of downsizing or getting rid of a stash. We generally try to make arrangements to pick up the donations, get helpers to sort items for our Guilds use and disperse remaining items to other Guilds that may be in a better position to use some of the items.

Recently Jeannie's sister-in-law went to live at an assisted living facility. Her name is Eilene Werum and she was one of the original members of our Guild. Jeannie and her brother spent many days organizing all of the quilter supplies so that BJ Cook, her husband- Clint, Carol Shervum and I spent a Sunday moving 50+ boxes, unfinished projects, a truck load of yarn and more. It will take some sorting and organization but our Guild is so lucky to be the benefactor of this gift.

The following was a note I received from Jeanie:

*"It was very nice to meet you. We appreciate all your help and understanding. I suspect this is by no means the first time you have dealt with a quilter having to give up her fabric stash (not to mention home)."*

Take control of your stash-donate your excess items while you have control and share with your family how you would like to have items disbursed if something happens to you!!!

Happy Quilting,

Barbara Pearson  
President

## GUILD HYBRID MEETINGS

**The March meeting will be in person only.** We have tried to schedule most of our meetings to be available in person and online via Zoom. This year, guest lecturers will be in person for members attending the meeting at the church. The programs, when possible, will also be available via Zoom for those members unable to attend in person.

For nighttime meetings the church will be opened at 6 pm for set up and then 6:30 pm social time begins. Our Zoom coverage will begin promptly at 7 pm.

For daytime meetings the church will be opened at 9 am for set up and then 9:30 am social time begins. The meeting will begin at 10 am. Zoom coverage, when available will begin promptly at 10 am

If you have any comments or questions please direct them to [sjvqg1@gmail.com](mailto:sjvqg1@gmail.com).

## WE ARE LOOKING FOR GUILD MEMBERS TO CHAIR OR BE PART OF COMMITTEES

There are committees that require chairs and committee members. THERE IS NO EXPERIENCE REQUIRED JUST A WILLINGNESS TO HELP AND GET TO KNOW OTHER MEMBERS.

If you are interested in leading (chairperson) or being part of the committees, please contact a member of the Board, the President or email [SVQG1@gmail.com](mailto:SVQG1@gmail.com). Most of these committees will not require a large time commitment and may even meet using Zoom. Ideally every committee should have co-chairs and additional committee members and generally we are lucky to have one person organizing.

**Newsletter Editor Assistant**-Irene Allen has done a wonderful job preparing our monthly newsletter all on her own for many years. We would like an assistant to help her carry out this job and learn the process for when she is on vacation or unavailable.

**Assistance with comfort quilts**-We need assistance on a monthly basis with making backs and bindings for quilts we donate. All fabric will be provided. Guidance can be provided, if needed, to help you with the techniques to provide backs and bindings. More than one person can be involved in this.

**Sewer's Yard Sale**-A leader is needed to set up a committee, plan the location of the event (**Judi Ratzlaff** has volunteered her property) and confirm the date (end of October 2025). You would also advertise to other guilds, promote to our own guild and coordinate the event. Space will be rented to members, other guilds and their members and retailer's (perhaps scissor sharpening). There could be possible sales of used sewing machines.

**Quilt Show-2026**-We need a chairperson and committee members for this event which is planned for March-April of 2026 (Easter is in March in 2026). We need a venue (outside or inside), vendors, raffle gifts. Organize member quilts for display (previously 2 per member)

Please email [sjvqg1@gmail.com](mailto:sjvqg1@gmail.com) if interested.

## PLEASED TO MEET – Donna Coppin

### **Teresa Orr**

I have been married to Jim for 33 years. We have a daughter and a son, 1 granddaughter, 4 grandsons and 1 great granddaughter.

I have a love of learning and mostly it doesn't matter what the subject is, though quilting does take 1st place, and its associated applications. I think scrappy quilts are my favorite to make and I don't limit myself to trying new and different ideas in quilting. I like to compete in quilting shows with the main goal to be admitted into the show. Two quilts just went to Virginia for the Mid Atlantic quilt show.

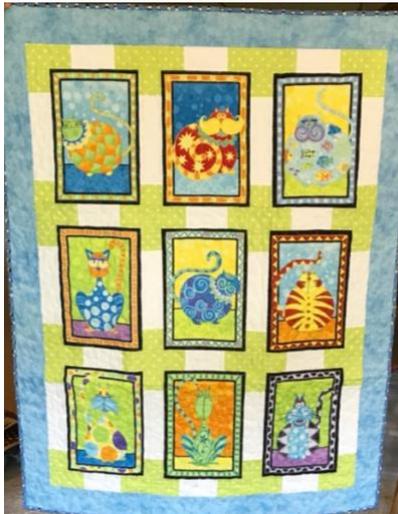

I was a host mom to 3 boys when we lived in Klamath Falls Oregon, all who have returned to the states after the year they spent with us. In January this year, Love from Sweden who is now living in Hong Kong, made his 3rd visit.

I like to grow house plants and I have many different types.

I have 2 dogs, Pippen and Tuffy, who rule the roost. They are the quilt police in this house, if they can lay on it, it's a great quilt.

### **Kathy Robertson**

Hi, I am Kathrine Robertson, also known as Kathy Robertson. I am the guild secretary this year. My mother quilted and my grandmother quilted. I started quilting in 2013 after I retired from teaching elementary school. I enjoyed sharing and talking about my quilts with my mother. I love bright colors, piecing, appliqué, and learning new things. I learned quickly that I wanted to quilt my own quilts, so I have spent quite a bit of time learning to quilt my own quilts. I have made baby quilts for friends and family, bed quilts, wall hangings, and lap quilts. I also enjoy spending time with family and friends, bible study, reading, playing piano, and going to the coast.

**March 13, 2025** – Reveal and voting on the Quilt Challenge/Speakers from Shriners and Muddy Eyes.

**April 10, 2025 -DAY-TIME MEETING - Kate Richbourg** - OK, Quilter! Quilters' Bags - Kate Richbourg was raised on a small farm in Gilroy, California. As a child, she would spend hours stringing beads and creating her own jewelry. It was a phase she never quite outgrew. After completing college, while trying to get excited about the transition to a corporate career, Kate saw a want ad for a bead store and lost no time in applying. Soon she was teaching classes and writing articles that were published regularly in magazines. During this time, she took a basic metalworking class at a local community college that opened her eyes to the possibilities of what metalworking had to offer the jewelry designer. She began teaching metalworking to the masses and never looked back.

Simply put, Kate Richbourg loves jewelry. She loves to teach it. She loves to make it. She loves to wear it. Teaching and designing jewelry since 1992, she teaches at national shows, bead societies and bead shops and is published in a variety of jewelry magazines and is the author of the popular blog "We Can Make That at Home." She has also appeared on several episodes of the DIY and HGTV network shows "DIY Jewelry" and "Craft Lab." Kate is the author of the best-selling book Simple Soldering: A Beginner's Guide to Jewelry Making.

## DOTTIE'S FINDINGS – Dottie Daybell

### Findings March 2025

1. Create Whimsy posts interviews with a variety of artists, mainly in the fiber arts. Here's one with an Argentine quilt maker:

<https://createwhimsy.com/projects/spotlight-cecilia-koppmann-textile-artist/>

2. Patriotic BOM: another pattern from Alycia. She calls it a "Rail Stepper Block",

<https://alyciaquilts.blogspot.com/2022/04/my-rainbow-scrap-challenge-block-how-to.html>

3. Nann recently made a quilt from half-rectangle blocks, based on a 2015 quilt made by Debbie. I like the way Debbie's blocks are set; it's not a half-drop, but (holds ruler up to computer screen) a 1/3 - 2/3 drop. Her blocks are 7" x 13" unfinished.

Debbie's original:

The finished quilt:

Her instructions to the bee:

Unfortunately, her link to the block tutorial is now available only on the Internet Archive, and is an "http", not an "https". Some browsers put up scary warnings about http. You can find other HRT instructions or email me and I'll send you the scary link.

Nann's quilt is here (scroll down a bit). She used smaller blocks, but with the same proportion of height about twice the width;

<https://withstringsattached.blogspot.com/2024/12/weekly-update-christmas-week-visitors.html>

4. This quilt from Jo uses a collection of leftover triangles in many sizes. The key to its success is how she used the red triangles.

<https://www.joscountryjunction.com/quilt-finish-leftover-triangles/>

5. Christa Watson has begun a series of free videos describing all 99 machine quilting designs from her book. She's promoting her book, but you can learn from her videos, too. Here's her blog post:

## *Mystery Quilt 2025 with Nancy Christian*

Join in with your fellow quilt guild members to make this fun quilt. It has become one of my favorites. It would be a great way to make donation quilts or one that may become an heirloom quilt that goes through your family. This quilt would be beautiful if longarm quilted, tied or hand quilted. This quilt is meant for the confident beginner to the most advanced quilter.

### **BLOCK OF THE MONTH – Teresa Orr & Tracy Newkirk**

HOLE IN THE BARN DOOR or CHURN DASH

The Block of the Month (BOM) for March is the Hole in the Barn Door also known as the Churn Dash. Find the free pattern and directions at [sjvqg.net](http://sjvqg.net). We received 30 blocks for the February BOM and **BJ Cook** won the drawing. Thank you to **Jade Fowler** who volunteered to put the blocks together. Thanks to everyone who contributed BOMs.

Bring your completed BOMs to our guild meeting and enter your name for each block you make for a chance to win in the prize drawing. The blocks that are turned in are made into donation comfort quilts. If you would like to help by making a comfort quilt from any of the donated BOMs, please contact **Teresa Orr** at [teresa.orr@orrenrprises.us](mailto:teresa.orr@orrenrprises.us)

## COMFORT QUILT NEWS – Susan Schara

PHOTOS OF COMFORT QUILTS ARE POSTED THROUGHOUT THE NEWSLETTER EACH MONTH

Spring has sprung quite suddenly, it seems, and flowers are blooming in yards and parks now, not just on our floral print fabrics! Yard work can be a distraction, tempting us away from our sewing projects. However, guild members like **Chris Schneider** (2), **Ruth Silva**, **Connor Hightower** (2), and **Carol Mills-Henry** (2) have made and donated comfort quilt tops to act as “quilt starters” for others to finish. Members who made donation quilts from start to finish include **Karen Coy**, **Jeanne Starks**, **Anne Dellavalle**, and **Sandee Nagayama**. Thanks, all of you, for your participation in our guild’s donation program.

In February we were able to deliver 7 kids’ quilts to the Marjaree Mason Shelter Program, 9 larger quilts to DaVita dialysis centers, and 2 quilts to Bristol Hospice. Our comfort quilts were received with gratitude and appreciation
